Privacy Policy

The personal information that you may provide us through the **Contact Form** will be used by **Eurofren Systems, S.L.U.** with the purpose of answering your consultation and, had you marked the corresponding checkbox, to send you information about products and services. It is compulsory for you to fill all the requested fields in the form, otherwise we will not be able to answer your questions. Your data will not be transferred to any third party. The consent provided when filling the contact form represents the basis that legitimizes the processing of your personal data. The personal information you provide us with will be treated in accordance with the provisions of the European and State Law of Data Protection since the moment of registration and until you may decide to cancel the service or to revoke your consent.

The personal information that you may provide us during your contractual, professional or commercial relationship with **Eurofren Systems, S.L.U.** will be used with the exclusive purpose of maintain our contractual, commercial and professional relationships with you and in order to send you commercial communications that might be of your interest. You can freely object to receiving commercial communications without that affecting our contractual, commercial or professional relationship. In order to carry out these actions, we might need to transfer your personal information to the tax administration and to the banking institutions with whom we work. This procedure is necessary for the implementation of our contract with and/or to maintain the contractual, commercial or professional relationships. Likewise, we inform you that your personal information will be kept for as long as the duration of the commercial relationship lasts and within the time-limits prescribed by the commercial and tax legislation or within the established time-limits previously established for answering possible complaints.

You may exercise your rights to access, rectify, cancel, oppose or revoke this permission. You may also manage your automatized individual decisions, portability and the limitations that apply to the processing of your personal data by writing to **Eurofren Systems S.L.U.**, located in **Polígono Industrial Mutilva Baja, Calle A número 1, 31192 Mutilva Baja (Navarra)**, o a protecciondedatos.es@zf.com, attaching to the communication a copy of your ID that provides duly proof of your identity. You have the right to file a complaint to the Spanish Data Protection Agency (AEPD) should you consider that your rights have been infringed in any way.
